

JHANSI SMART CITY LIMITED

Smart Traffic Sensor (STS)

Smart Traffic Sensor (STS) are traffic sensors that detect count of vehicle based on vehicle type. These are installed on entry and exit points of the city so that we can monitor the whole incoming and outgoing traffic.

Locations for STS are as follows:

S.NO.	LOCATION NAME
1	Army Airport – 2 sensors
2	Bhagwantpura Mode
3	Bihari Tiraha
4	Elite Chauraha – 2 sensors
5	Medical Bypass Tiraha
6	Police Chowki Hasari
